2021 Annual Meeting

We always look forward to announcing our annual meeting to take place in February but this year is a little different.

The pandemic has pushed us to make the tough decision to postpone our annual meeting until a later date in the 2021 calendar year. We feel this is the best decision for the safety of our staff, board of directors, and members.

Please stay tuned for a date later this year!

CURBSIDE BANKING

Family Community Credit Union is offering a new and convenient way to do your transactions in person. We understand that with only drive thru lane, the line and wait time can become quite long. With curbside banking, we are bringing the credit union to you!

Here's how it works:

- Drive to the credit union.
- Call us from the parking lot.
- Let us know what you need.
- We'll come out and you'll be on your way in no time!

You can take advantage of our curbside banking Monday through Friday 7:00 AM - 5:00 PM. We sincerely appreciate your patience during these unprecedented times. Thank you for choosing Family Community Credit Union for your financial needs!

See us before you close that car deal!

Are you searching for the car of your dreams? Before you finalize the sale, bring the purchase agreement to the credit union to make sure you are getting the best deal. If a dealer won't let you take the purchase order form from the dealership, think twice about doing business there.

We will be honest and upfront with you on the deal you are making. FCCU offers GAP protection and extended warranties at rates much less than the dealership, saving you hundreds of dollars! We want our members to make wise money savings deals that they won't regret! Stop in and see us today for all your financing needs!

IRA ACCOUNT

Your December statement reflects your accounts "Fair Market Value" which is the end of year balance. This balance is reported to the Internal Revenue Service.

VACATION CLUBS

Vacation clubs will be disbursed on **June 1st** to the primary share account.
